Dear Patient:

Thank you for choosing Burnsville Family Physicians, P.A. as your primary care clinic.

To make the registration process at your first visit easier, we have enclosed forms that need to be completed in order to establish your chart. These forms should be filled out prior to your arrival, and given to the receptionist when you check-in for your appointment. You will be asked to provide a picture ID at your first visit. For billing purposes, we ask that you have your current insurance card available at each visit. If your insurance requires a copayment, you will need to make that payment at the time of your appointment.

For accurate recording of your medical history, the physicians ask that you bring any prescription medications you may be taking to your initial appointment.

If you have any questions regarding the insurance information on the financial policy, or on any of the information enclosed, please feel free to contact the staff in our business office. They are available Monday through Friday, 8:00 a.m. – 5:00 p.m. at 952-435-0313.

We look forward to meeting you, and sincerely thank you for giving us the opportunity to provide you with high quality care.

Regards,

Burnsville Family Physicians, P.A.
